

LONGENECKER & ASSOCIATES, INC.

EXPERIENCE SUMMARIES FOR KEY PERSONNEL

Bonnie L. Longenecker

Bonnie L. Longenecker is the Chief Executive Officer of Longenecker & Associates, Inc. (L&A), and has more than 35 years' experience in the energy industry.

L&A was founded in 1989 and is a woman owned Nevada based small business, specializing in project management, engineering, energy, environmental and regulatory issues. L&A provides highly specialized, fast-response technical and management support to the nuclear, environmental management and defense industries.

Longenecker & Associates annually provides financial support to the Walter Reed Society and its Wounded Warriors programs. In 2010, Longenecker & Associates established an annual scholarship program for students needing financial support in the Penn State Engineering Mechanics and Science Department. L&A also provides scholarships annually to students in the field of waste management via the Roy Post Foundation.

Prior to the formation of Longenecker & Associates in May 1989, Ms. Longenecker served in the Energy Research and Development Administration (ERDA) and the U.S. Department of Energy (DOE) from 1975 to 1982. In this capacity, Ms. Longenecker held executive support positions in the Office of the Assistant Administrator for Nuclear Energy, and the Division of Nuclear Waste Management.

Prior to joining ERDA and DOE, Ms. Longenecker held other executive support positions at State Farm Insurance Company headquarters in Bloomington, IL.

Ms. Longenecker attended Hagerstown Business College and the Illinois State University.

Ms. Longenecker was born in Baltimore, MD, the daughter of Dorothea and Nelson Lehardy, and graduated from South Hagerstown High School.

Ms. Longenecker is a member of US Tennis Association and plays tennis competitively in Southern Nevada.

Ms. Longenecker holds an active DOE Q clearance, and resides with her husband John in Las Vegas, NV.
